LULAV & ETROG ORDER FORM

One of the great joys of *Sukkot* is having your own *Lulav* and *Etrog* set. It is a *mitzvah* to wave the *lulav* on each of the first seven days of *Sukkot*.

What is a *lulav*?

The *mitzvah* regarding the *Lulav* and *Etrog* is found in the Torah. After discussing the festival of *Sukkot*, specific instructions for how to celebrate the holiday are given. Leviticus 23:40 instructs: "On the first day you shall take the product of *hadar* trees, branches of palm trees, boughs of leafy trees, and willows of the brook, and you shall rejoice before *Adonai* your God seven days." These are the four species that form the *Lulav* and *Etrog*. The four species are waved in the synagogue as part of the service during the holiday of *Sukkot*. The *Lulav* and *Etrog* may also be waved at home.

Fill out the form below and return it to the office by **Tuesday, September 7, 2010**.
