Every Year Is A New Season
- Make It Count

Friends:

As another year begins at Temple Sinai, we want to extend a warm welcome to our new members and welcome back those of you we did not see over the summer. We are looking forward to another exciting year in the synagogue and are happy that you are part of our congregational family!

This High Holy Day booklet will give you a sense of how much is happening in the synagogue and of the many different ways there are to be involved. Within these pages, you will find information about an array of offerings and activities for members of all ages.

A question we've been asking is "How do you make a congregation of our size feel more intimate and create the sense that we are one family?"

One way is by inviting members to sit close to the *bimah* and fill the seats of the sanctuary. While some of these seats are reserved, most are not, and the closer we sit together, the more our singing and praying will fill the space and create a warm and upbeat atmosphere.

A second answer to that question are the name tags for every adult member of the congregation available in the synagogue lobby. Our ability to put names to faces and to greet each other by name will bring about a deeper feeling of connection and camaraderie. We encourage you to wear your name tag while you are in the synagogue and ask that you please return it to the magnetic carousel display before you head home.

Did you know that the shofar will not be sounded and we will not hold *Tashlich* on the first day of Rosh Hashanah this year? That's what happens when Rosh Hashanah coincides with Shabbat. But do not fear. If you really want to hear the shofar, come back for the second day of the holiday. It's Sunday. You have nowhere else you need to be. And the Eagles game doesn't begin until 4:25. Even if you stay for Tashlich (the ceremony of throwing bread crumbs into a living body of water) following the service, you'll be home well before kick-off.

As always, on Rosh Hashanah and Yom Kippur we are offering a number of programming options for children and teens. If you have children, please remind them that they are encouraged to be either in the sanctuary or in an age-appropriate service throughout the day.

TWO IMPORTANT SERVICE ITEMS

The Early Portion Of The Morning Service - If you are joining us for the first time, please be aware that early portion of the service does not require a *minyan* (a quorum) and that we encourage you to recite *Birchot HaShachar* (the morning blessings) and *Pesukei D'Zimrah* (the introductory psalms) on your own prior to 9:00 AM. Our service will begin at 9:00 AM with *Nishmat Kol Chai* (p. 67) just before *Barchu*.

Shacharit Amidah - To preserve time, we will begin together what would be the repetition of the *Amidah* and then collectively recite the special *piyyutim* (liturgical poems) within the prayer. Following the *kedusha*, the remainder of the *Amidah* will be a time for individuals to recite the *Amidah* privately.

We want to wish you a *Shanah Tovah u'Metukah* – a happy, healthy and peaceful new year.

L'Shalom,

Rabbi Adam Wohlberg

NOW IS THE TIME ...

In your hectic life, how can you fit in another "to do"?
You may not even need it (God willing) for a long time.

Why not put off thinking about it for now?

Why not? Because no one knows when the need will arise.

When it does, many tasks must be handled and decisions made in a limited amount of time.

Contacting loved ones
Selecting and purchasing a gravesite
Making funeral arrangements
Handling the affairs of the deceased

Now is the time to lessen the burden placed on your family by purchasing a gravesite for that inevitable need. Having one less decision to research and make during that difficult time is one of the greatest gifts you could give them, along with the peace of mind of knowing that everything has been arranged exactly the way you wanted.

Temple Sinai has available **gravesites** at nearby **King David Memorial Park** in Bensalem, PA at reasonable costs for its members and their families. For more information, please call the Temple Sinai office 215-643-6510 or Mainoffice@tsinai.com

Dear Temple Sinai Family,

As we come together to celebrate 5787, I extend my heartfelt wishes to each of you for a healthy, joyful, and sweet new year. The High Holy Days provide us with time to reflect on where we have been and look forward with purpose toward where we are headed.

This past year has been extraordinary. Thanks to your unprecedented support and generosity, we are coming off the most successful fundraising campaign in recent years. Beyond the numbers, what moves me most is how our community comes together in times of joy and times of need; showing up for one another, strengthening our traditions, and dedicating countless hours to our unification efforts. To everyone who has poured their heart and hard work into this amazing community, THANK YOU. Your dedication is the foundation of our success.

We enter this new year on a high note, full of momentum, confidence, and warmth. As we launch our annual campaign with the theme **"Our Future is Here,"** we have a unique opportunity to carry this strength forward and build the shared future we envision for our synagogue. Together, we are ensuring that our community remains a vibrant, welcoming home for Jewish life, learning, and connection for generations to come.

May this year bring peace, strength, and blessing to your homes and to our entire community. *Shanah Tovah U'Metukah!*

Shanah Tovah,

SINAI SPROUTS

A JOYFUL BEGINNING TO YOUR CHILD'S JEWISH JOURNEY!

Sinai Sprouts is a pre-religious school program designed for children ages 3 to Pre-K (4 turning 5) who are fully potty trained. Meeting once a month for a total of 8 engaging sessions from 9:00 AM – 12:00 PM, this playful and meaningful program introduces young learners to the joys of Jewish life in a warm and welcoming environment.

Each session explores a variety of Jewish themes, including Shabbat, Jewish holidays, and core values such as Tikkun Olam (repairing the world). Children will enjoy hands-on experiences through art, cooking, movement, free play, and other developmentally appropriate activities.

Whether it's baking challah, dancing to holiday music, or creating a tzedakah box, Sinai Sprouts is a wonderful first step in nurturing a lifelong love of Judaism — all while having fun and making new friends!

Dear Members of our Temple Sinai Community,

We are eagerly looking forward to the High Holy Days and being together to welcome in Rosh Hashanah and Yom Kippur.

Because of the important role of prayer and music within our congregation, a committee was formed in the late spring to evaluate the music and prayers of our services.

The primary goals of this committee were to:

- **Enhance Inclusivity** - Ensuring that our liturgy and musical selections are meaningful and participatory.
- **Incorporate Familiar Tunes** - Honoring the well-loved melodies which are a part of our Temple Sinai tradition.

The committee held several meetings and then established a second committee which focused solely on the High Holy Days. This group spent time evaluating and providing feedback on the tunes and prayers which will be featured during the upcoming High Holy Days. Working alongside the cantor and the rabbi, they helped to fashion services that will promote congregational singing and create an engaging and uplifting worship experience.

We appreciate all of the feedback which was shared with us after last year's High Holy Day services and hope that the changes made for this year will enhance your enjoyment of the upcoming festivals as well as your participation in them.

We extend our wishes to you for a *shanah tovah u'metukah* - a good year and a sweet year.

Temple Sinai - Our Synagogue, Our Community

Your Eyes and Ears Could Make a Difference!

Always follow the instructions of the Rabbi, security officers and synagogue staff.

High Holy Day Tickets must be displayed for entrance to the building, even if the greeters know and recognize you.

Parking along Dillon Rd. is no longer allowed for security considerations. Overflow parking is available at the Korean Church across the street.

Be aware of your surroundings. Know the location of appropriate emergency exits. See diagram and instructions below.

Please thank the Upper Dublin Police Officers and private security guards for helping to keep us safe on these High Holy Days and throughout the year!

Report suspicious activity in or around the synagogue. Focus on the person's behavior, not their appearance.

Please leave any bags in your vehicles except for tallit bags and small handbags. Do not touch suspicious or unattended bags or packages.

The Main Entrance will be the only point of entry and normal exit to the building.

Youth, including teens, wandering the building unsupervised is a safety and security risk and is not allowed.

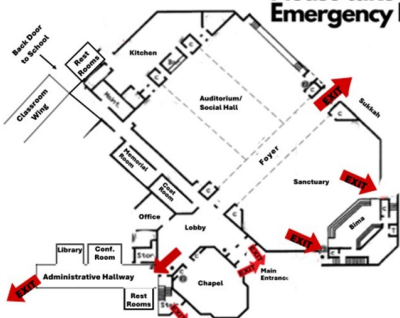

ENSURE YOU ARE ACQUAINTED WITH THESE EVACUATION PROCEDURES!

In the event of an emergency evacuation of the building, follow these evacuation instructions. Upon exiting the building, our evacuation assembly area is the Dresher Estates senior living facility just south of Temple Sinai. DO NOT assemble in the Temple Sinai parking lot as this will impede first responders and is a potential security risk. If you have children engaged in the youth programming or babysitting, do NOT go to get them. Their caregivers will escort the youth to Dresher Estates where you will be able to reunite with them.

Main Sanctuary – Exit through the emergency exits at the front of room, utilizing the doors on the side closest to you. If you are seated towards the back of the left side of the Sanctuary, the closest exit may be the doors leading to the Sukkah area. Do not remain in the Sukkah area.

Foyer and Social Hall – Exit through the Main Entrance to the building or the doors leading to the Sukkah depending upon which are the closest to you. Do not remain in the Sukkah area. Unless otherwise directed by Rabbi Wohlberg, security officers, Temple Sinai staff, or volunteers wearing security vests, do not attempt to leave through the back door to the School wing

Please take note of Emergency Exits.

by the Confirmation pictures. Congestion would arise due to the narrow hallway as well as impeding the children leaving from the school wing.

Chapel – Exit through the front Chapel door.

Library – Exit through the school entrance.

Notify us immediately of any persons you know who have not reached the assembly point and who may still be in the building. Do not return to the building or your cars until the all-clear has been given by official personnel.

Jane Ziegelman is the award-winning author of 97 *Orchard: An Edible History of Five Immigrant Families in One New York Tenement* and, with her husband Andrew Coe, *A Square Meal*, winner of a James Beard Award.

Her newest book, *Once There Was a Town: The Memory Books of a Lost Jewish World*, explores the remarkable world of yizkor books—memorial books created largely by Holocaust survivors to preserve the memory of the Jewish towns, or shtetls, of Eastern Europe.

Through these extraordinary books, Ziegelman brings to life the communities, traditions, everyday experiences, and stories of the people who inhabited this world.

Her talk is a powerful exploration of memory, history, and the resilience of a people who refused to be forgotten.
